Letter in regard to
the census of the In-
dians in this Agency -
which is sent this date.

United States Indian Service,

New York Agency,

Seneca Aug. 13, 1885.

Sir:

I have the honor to mail you this date a census of the Indians in the New York Agency - in compliance with Circular No. 148. I have not been able to comply with all the instructions contained in the Circular - but refer you to Office letters marked "T-14116-85" and "T-12335-85" in regard to it.

The census of the Seneca is complete - but I have not been able to get a correct census of the other tribes - but could do so better without unduly being appropriated for the purpose -

09881
1880

United States Indian Service,

Agency,

188

The Onondagas upon the Onondaga Reservation have not yet complied with my request to send the Census roll which they prepare for the distribution of annuity goods - I will send a copy of it as soon as it can be obtained. There is no Census taken on the St. Regis reserve - and I can only give the total number as received from their tribal Agent - There has been one hundred and five deaths among the Senecas - since last payment - which number will be added to the annuity rolls -

I did not attempt to get

09861

United States Indian Service,

Agency,

188

The Indian names as I could not
do so without double the expense -

Very respectfully,

Hon. Commissioner

H. Peacock

of Indian Affairs -

U. S. Indian Agent,

Washington, D. C.

United States Indian Service,

New York Agency,

Albion August 17th, 1887.

Hon. Commissioner of Indian Affairs,

Washington, D.C.

Sir:

In compliance with
your letters of June 16. 1887 marked "A" and
July 7. 1887 marked "A- 15928-15980-87".
Calling for a census &c., I enclose
you herewith a census of the Indians
in this Agency, with the exception
of the Oneidas at Oneida; the
Oneidas at Oneida, and the
Onondagas at Albany. which I
have so far been unable to obtain,
as soon as I can obtain them, I will
forward them.

The names of the Senecas were taken from the enumeration prepared for the purpose of paying annuities and trust fund interest. The Cayugas at Cattaraugus and Tonawanda, the St Regis, and the Onondagas at Onondaga were taken from the pay-rules of the State Agents for those several tribes. All others were furnished by chiefs. At the end of each list will be found a statement showing the Total - Males above 18, Females above 14 and School children between 6 and 16 years of age.

Very Respectfully,

J. W. Jackson
U. S. Indian Agent.
